## SAMPLES EXPLAINED

### FALL 2011

#### DESIGNER ROLLER SHADE/SKYLINE® (RCDRSKYSBK011)

##### Gliding Window Panels Sample Book

September 2011, Designer Roller Shades along with Skyline Gliding Window Panels will be introducing an all new, combined sample book with a “shared fabric collection”. This multi product sample book includes 19 new “shared” fabrics, a hardware box featuring our new flat metal bottom bar treatment, screen shade reference piece including our new Designer Screen Patio Shades (available with select Designer Screen Shade Fabrics), opacity guide, dual roller shade guide highlighting increased maximum heights for both Designer Roller and Designer Screen Shade fabrics and a photography book that includes a quick reference guide.

#### PROVENANCE® Woven Wood Shades Sample Book (WWCSBK011)

The NEW Provenance Woven Wood Shades sample book has been streamlined to accommodate our expanded fabric collection and product enhancements all in a single book! This light-weight sample book includes full-size fabric swatches with designer inspired patterns while introducing a new vertical drapery and a new contemporary roller style with no rear lift cord. Also included is a portable version of the photo book, opacity guide, competitive advantages overview and sell sheet.

#### SOMNER/CADENCE Vertical Update Kit (77011SOMCSBUK)

Update your Somner and Cadence books with new vinyl and fabric styles. Somner introduces four new fabric styles that are also available as complementing roller shade fabric. Also included is a new vinyl deck for the Somner collection including 16 new color choices. Cadence Motif™ is expanded with the new Bailey Collection offering six new best selling colors price 14% below our top-selling Cadence Motif Camille fabric.
